WONKA 1 1 EXT. OCEAN - DAY FADE UP on a cold, foggy sky. The only sounds are the lapping of the ocean waves and the distant tolling of a ship's bell. Then, chugging out of the thick mist, comes a 1940s TRAWLER. A strange figure wearing a bright green waistcoat and wildly colourful scarf climbs the mast. This is Willy Wonka. As he peers into the fog, he sings A HATFUL OF DREAMS. WILLY After seven years of

The opening bars of "Pure Imagination" give us a clue as to what's coming next, and for the most part it's a strong testament to the engaging and charismatic man playing the eponymous chocolatier. He arrives is a town controlled by a chocolate cartel that is determined to use any means possible to ensure he can't fulfil his dream. That dream? Well ever since he was a child, he has wanted to make chocolate as well as

Enjoyed this! 2023's 'Wonka' is very good! It's an original story based upon the Roald Dahl novel, so it isn't an adaptation as such like the 1971 and 2005 flicks. With that I didn't find it quite as interesting as what's portrayed in the aforementioned films, but I do appreciate (and prefer, tbh) that they went a different way with it here. Timothée Chalamet gives a strong performance in the lead

FULL SPOILER-FREE REVIEW @ <https://www.firstshowing.net/2023/review-paul-kings-wonka-musical-is-a-truly-delightful-origin-story/>
"Wonka offers a fresh perspective on the iconic character while paying homage to Roald Dahl's timeless tale of morality. Paul King succeeds in delivering a jolly, entertaining, visually dazzling take on the origins of Willy Wonka, featuring a fearlessly committed cast, tons of humor,

****A Sweet Delight for All Ages - Wonka Movie Review**** I recently had the pleasure of watching the latest cinematic treat, Wonka, and I must say it's a delightful experience that caters to audiences of all ages. As a busy software engineer with a penchant for quality family time, I couldn't have asked for a better choice for our movie night. From the moment the film began, it whisked us away on a whimsical journey into

Unfortunately, this movie fails marvelously. It has such incredible potential. The imagined prequel is consistent with Ronald Dahl's charm and wit. Timothee Chalamet's performance was sensational. The supporting cast including Keegan Michael Key, Patterson Joseph, Hugh Grant, Olivia Coleman and Jim Carter were all at their best. The film falls short with the casting director's (Nina Gold's) attempt to find new talent in a

After so many years I wonder if the majority of people have seen the original (comedy / musical) movie of 71, that is a classic. I myself was a bit worried when I saw the announce for this one (haven't watchet a single trailer). Oh how I was wrong - Timothée Chalamet's Willy Wonka is just perfect on how he emulates the original Wonka by Richard Gere plus the musical and dance scenes aren't bad at all. To those who knew

Timothée Chalamet's subtle but heartfelt performance of a young Wonka helped to offset the depressingly intriguing world of this prequel. Willy is a mysterious and flamboyant character, disconnected from the harshness of reality by the magic of a childhood dream, which matches the subtle facial expressions he uses, per the (stellar) acting direction. The notes of nostalgia and whimsy make this a 10/10! The

#MovieReview #WonkaMovie #Wonka Let me start by saying that this movie is truly amazing from start to finish. It stands out for its focus on a fantastic storyline without any political agenda, overly emphasized themes, or unnecessary controversies. Instead, it offers a captivating narrative, an exceptional cast, and outstanding music. From the beginning, this movie is a delightful treat, filled with delicious surprises and
